### You Got a Problem?

"Don't worry about anything. No matter what happens, tell God about everything. Ask and pray, and give thanks to him. Then God's peace will watch over your hearts and your minds. He will do this because you belong to Christ Jesus. God's peace can never be completely understood."

Philippians 4:6-7a

Do you know what the word "problem" means? A problem is a question seeking an answer. **Write down a problem you aren't sure how to solve.** Some problems are small. But some are big. Some seem to have no answer at all. But there is some good news. God has all the answers. And when something happens that we don't understand, we can always trust that He is in control. When we put our trust in Jesus, He is always with us. Because knowing Jesus changes the way you see your problems.

### Ask God

"Trust in the Lord with all your heart. Do not depend on your own understanding. In all your ways obey him. Then he will make your paths smooth and straight." Proverbs 3:5-6 Nlrv

When you're facing problems, it's tempting to try to solve them on your own. The bad news is, you don't have all the knowledge and understanding to face your problems. The good news is, you serve a God who does! When you're not sure what to do, ask Him for guidance. He will lead you in the way you should go.

It's a lot easier to solve problems when you have access to the knowledge you need, isn't it? Thank God for giving you what you need to face your problems.
