

MEN OF MAN CAMP:

Check-in begins at 7pm. There is no meal provided Friday evening, so please eat dinner before you arrive. Rooms and activities will not be available before 7pm, so please don't show up before then. We will have signs to direct you to the check-in building once you arrive. At check-in you will receive your MAN CAMP t-shirt, your room assignment, and your schedule for the weekend. You'll have plenty of time to check out the camp before our first evening session begins at 8:45pm.

Google Maps says it will take you between 3.5 and 4 hours to get to MAN CAMP, not including your dinner and fuel stop.

6 THINGS TO KNOW:

1 - DIRECTIONS, FUEL, & FOOD: Make sure you have enough gas to get out to MAN CAMP and ALSO make it back to civilization after the weekend. You will need to get dinner on the way to camp, as it will not be provided Friday evening. The last opportunity for food and gas depends on which direction you are coming from.

Coming from I-84? Biggs Junction is the last food stop.

Coming over the mountain? Madras will be the last food stop.

2 - RELEASE FORM: You will need to fill out a release form before you check in for MAN CAMP. You have two options: Either print this release form (<https://willamette.cc/wp-content/uploads/Guest-Consent-Release-YL6009.pdf>) and bring it with you, or make sure you have all of the information ready to fill out once you arrive at camp. We will have printed versions at check-in.
