## Medical Release/Consent:

I have explained the meaning of "hold harmless" to the person volunteering at SFCI. The volunteer's signature below indicates their understanding and agreement to do the same. If it should become necessary for me/my child to receive medical treatment for any reason, I understand that SFCI is not held responsible for any and all financial obligation pertaining to and resulting from his/her/my treatment.

I also accept full responsibility for the cost of medical treatment for any injury not covered by his/ her/my insurance.

In addition, I authorize and consent to all medical, surgical, diagnostic and hospital procedures as may be performed or prescribed by a physician to safeguard myself/my child's health and that it is not advisable to take the time to contact me in advance if in an emergency. I waive my right to in- formed consent for each treatment.

Moreover, I understand that temporary, emergency measures may be necessary to safeguard me/ my child's health and do hereby authorize and request SFCI to administer or supervise until such time as I/my child can be safely transported to a doctor or hospital.

## Contact w/ Community Residents

I further agree that I/my child will not connect with TL residents beyond the duration of their stay. "Connect" includes email/phone/social media/letters.
